

218.98 Canteen maintained.

The administrators in control of the institutions may maintain a canteen at any institution under their jurisdiction and control for the sale to persons residing in the institution of toilet articles, candy, tobacco products, notions, and other sundries, and may provide the necessary facilities, equipment, personnel, and merchandise for such sale. The administrators shall specify what commodities will be sold in the canteen. The department may establish and maintain a permanent operating fund for each canteen. The fund shall consist of the receipts from the sale of commodities at the canteen.
